

ASL Weekly Report

Your name and Partner(s): Natalie Feaser, JorNyece Cox, Christian Presutti

Class Time: ASL 1

Date of activity and how long? 10/3, 3pm-5pm

Summary of what did you and your partner do:

For this meeting we studied for the upcoming ASL Unit 1 quiz. We practiced fingerspelling words and guessing what the other person was spelling. We also reviewed the sentences in the Google Drive and the numbers.

Reaction:

I am most confident about the numbers and the sentences, but I am a little worried the fingerspelling will be difficult. I am glad we will get bonus points for the English on these quizzes because I feel like I really understand that part well.
