Your name and Partner(s): Natalie Feaser, JorNyece Cox, Christian Presutti

Class Time: ASL 1

Date of activity and how long? 10/13, 6pm-8pm

Summary of what did you and your partner do:

We discussed how we felt about the Unit 1 quiz and what we think we missed. After that, we looked at the Unit 2 words and reviewed the signs for them. Then we ended with signing the numbers together.

Reaction:

I felt like I did really well on the test. I only missed some fingerspelling because I mixed up R and K and I missed a sentence because I wrote bright instead of blue. I am really excited to make sentences with the new vocab although it will be a while until I am confident with the new words.
